Dear Professor Hufnagel:

Thank you very much for your recent letter and for bringing to my attention your current application to the National Science Foundation.

I have taken the liberty of writing to the Director of the Foundation to express my support for your grant request. A copy of my letter is enclosed for your files.

As soon as I hear further from the Foundation, I will be back in touch with you. In the meantime, please be sure to let me know if there is anything further that I can help you with.
